## CITY HALL

—o—  
The site was purchased during the month of May, 1835, and  
the corner stone was laid April 28th, 1836, by the  
Mayor, Hon. JONATHAN TROTTER.  
—o—

The plans for the City Hall were made by Calvin Pollard of New York City, and were intended to cover nearly the whole of the land purchased. The dimensions were 369 feet on Fulton Street, 250 ft. on Court St., and 222 feet on Joralemon Street and estimated cost at from \$750,000 to \$1,000,000.

In 1845 the erection of the present City Hall was begun. It is a three story and basement building, 175 feet long, the rear running parallel with Joralemon St., and the sides on Fulton and Court Streets, having a width of 100 feet, and was completed 1849, the total cost, including site, old structure and present building, from 1835 to 1850 was \$715,000.00

RULES AND ORDERS  
OF THE  
COMMON COUNCIL  
OF THE  
*CITY OF BROOKLYN.*

---

*Powers and Duties of the President.*

RULE I.

The President shall take the chair each meeting at the hour appointed, or to which the Board shall have adjourned; he shall call to order, and when a quorum is present, the Board shall proceed to business in the manner prescribed in these rules.

RULE II.

The President shall preserve order and decorum; he shall decide all questions of order, subject to appeal to the Board; he shall appoint all Standing Committees, and also all Special Committees, except when the Board shall otherwise order; whenever he shall wish to leave the chair, he may substitute a member in his place, but such substitution shall not continue beyond the day on which it is made; when the Board shall go into Committee of the WHOLE, he shall name

a chairman to preside therein; he shall refer every petition, remonstrance, or other paper presented to the Board to the appropriate committee, indicated by its subject, except otherwise ordered; and no person shall be admitted within the bar of the house except heads of departments, their deputies and secretaries, representatives of the press, and ex-members of the Common Council; but he shall have the right to invite to the floor of the Council such persons as he shall deem deserving of the privilege.

On every appeal from the decision of the Chair, the member appealing may briefly state his reasons therefor. The President shall then have the right to state his reason for the decision. The question shall then be put, "Shall the decision of the Chair stand as the judgment of the Board?"

### RULE III.

The regular meetings of the Board shall commence every Monday afternoon at 2 o'clock, except in the months of July, August and September, when they shall commence at three o'clock. All meetings shall adjourn at six o'clock P.M., or as soon thereafter as the business pending at that hour shall be disposed of, unless otherwise ordered by a two-third vote of those present and voting, and a motion for that purpose shall always be in order, provided, however, that the Board may, by a majority vote, adjourn for a longer period than one week.

*Order of Business.*

## RULE IV.

After reading and approving of the minutes of the preceding meeting, the order of business shall be as follows:

- 1st. Presentation of petitions, bills and communications.
- 2d. Messages from the Mayor, which shall be in order at any time.
- 3d. Communications from city officers.
- 4th. Resumption of the business pending at the time of an adjournment of the previous meeting.
- 5th. Reports of Standing Committees in their order, as enumerated, in Rule XIII.
- 6th. Reports of Select Committees.
- 7th. Motions and Resolutions; special orders.
- 8th. "The names of the members of the Board of Aldermen shall be called in alphabetical order, and in case an adjournment shall take place, pending the call, shall at the next meeting be resumed where it was left off."

*Rights and Duties of Members.*

## RULE V.

Petitions, memorials and other papers addressed to the Common Council shall be presented by the President, or any member in his place.

## RULE VI.

Every member presenting a bill, petition or other paper, shall endorse the same with a brief statement of its subject or contents, adding his name; if a resolution, with his name; if a report of a committee, the title of the committee, the subject matter, and the names of the members making the same, and the date thereof.

## RULE VII.

Every member who shall be within the bar of the house when the question is stated from the chair, shall vote thereon, unless he be excused by the Board, or unless he is directly interested in the question, in which case he shall not vote.

## RULE VIII.

Any member requesting to be excused from voting may make, immediately before the roll shall be called, a brief verbal statement of the reasons for making such request, and the question thereon shall be taken without debate. No debate shall be in order after the voting shall have commenced, but upon the call for absentees, any member who has not voted may briefly explain the reasons for his vote, but shall not discuss the subject matter.

*Order and Decorum.*

## RULE IX.

No member, rising to debate, make a motion or report, or to present a petition or paper, shall proceed, unless in his place, nor until he shall have been recognized by the President. While a member is speaking, no other member shall entertain any private discourse, or disturb another in his speech in any manner whatever.

## RULE X.

While the President is putting a question, or the yeas and nays are being taken, no member shall speak or leave his place, and when the Board adjourns, the members shall keep their seats until the President leaves the chair.

*Order in Debate.*

## RULE XI.

No member shall speak more than once on the same general question without leave of the Board, until every member desiring to speak on the question pending shall have spoken; nor more than twice, nor longer than five minutes at a time, without leave of the Board.

## RULE XII.

If any member, in speaking, transgresses the rules of the Board, the President shall, or any member may, call him to order; in which case the member so called to order shall immediately sit down, and shall not rise, unless to explain or proceed in order.

## RULE XIV.

The Keeper and Assistant keeper of the City Hall, and the Sergeant-at-Arms, and his assistant, shall enforce order under the direction of the President. The Sergeant-at-Arms and his assistant shall be present at all meetings of the Board, and also at the meeting of any Committee when so requested by the Chairman of the Committee.

## RULE XV.

The report of any officer or Committee, in case where previous notice by service or publication is required by law, shall not be acted upon unless accompanied by proof of such service or publication.

## RULE XVI.

Committees shall report in writing on all matters referred to them, with a brief statement of facts and their opinion in relation thereto, and a resolution or ordinance proposing the necessary action for the Board. The report itself shall not be subject to amendment. Every report shall state the time when the subject-matter of such report was referred to the Committees by the Common Council.

Committees shall report on all matters referred to them within one month after reference, or the Committee shall be deemed to be discharged from the further consideration thereof, unless the time is extended by the Board; at the expiration of such time the Committee shall report or be considered as discharged from the further consideration of the matter. Any Committee may be, at any time by the vote

of three fourths of the members present, discharged from the consideration of any matter referred to it; no matter that has been referred to a Committee shall be acted upon by the Board until the Committee has reported thereon or been discharged therefrom,

### *Motions and their Precedence.*

#### RULE XVII.

When a question shall be under consideration, no motion shall be received except as herein specified, which motion shall have precedence in the order stated.

1. For the adjournment of the Board.
2. For the previous question.
3. To lay on the table.
4. To postpone indefinitely.
5. To postpone to a day certain.
6. To commit to a standing committee.
7. To commit to a select committee.
8. To commit to the committee of the whole.
9. To amend.

The first four of which shall be decided without debate.

#### RULE XVIII.

Motions to postpone or commit shall preclude all debate of the main question.

## RULE XIX.

Every motion shall be first stated by the President or read by the clerk before debate, and immediately before putting the question; and every motion, except the first eight of those specified in Rule XVII., shall be reduced to writing if the President or any member desires it.

## RULE XX.

After a motion shall be stated by the President, it shall be deemed to be in the possession of the Board, but may be withdrawn at any time by consent of the Board before it shall be decided.

## RULE XXI.

No more than two amendments shall be allowed to a motion or resolution, but a substitute may be offered in place of the original motion or resolution and the amendments thereto; but no amendment shall be allowed to the substitute.

## RULE XXII.

In filling a blank, when different sums or times are moved, the question shall first be put on the largest sum and the longest time.

## RULE XXIII.

No motion for reconsideration of any vote shall be in order, unless made at the same meeting, or at the next regular meeting of the Board to that on which the decision

proposed to be reconsidered took place, nor unless one of the majority or an absentee shall move such reconsideration; but a reconsideration shall be in order at any time during those sessions, and may be ordered by the same vote as required to pass the original resolution. A motion for reconsideration being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent. When more than a majority vote is required to pass a vote or resolution, the majority shall be considered for the purposes of this rule to be that side which prevailed in the vote.

#### RULE XXIV.

No vote shall be taken upon a proposition to increase the compensation of any public officer or employee, without the same shall have first been referred to and reported upon by the Committee on Salaries, unless said committee shall be discharged from the further consideration of the subject, as provided by Rule XVI.

#### *The Previous Question.*

#### RULE XXV.

The previous question, which shall be taken without debate, shall be as follows: "Shall the main question be now ordered?" and if carried, shall preclude further debate. The main question shall first be on the amendments in their order, and then on the original resolution pending.

#### RULE XXVI.

The President of the Board shall be *ex-officio* member of all committees, but the majority of members of any com-

mittee exclusive of the President, shall be sufficient to pass any report or resolution in committee.

## RULE XXVII.

On all questions in which, by the Charter, a majority, or more than a majority vote is required to pass the same, it shall be taken by *yeas* and *nays*. In all other cases the yeas and nays shall be taken and entered upon the Minutes when demanded by any member. When the yeas and nays shall not be ordered, any member shall be allowed, immediately after the decision of any question, to have his name recorded in the Minutes in the affirmative or negative, as he may request.

## RULE XXVIII.

All motions or resolutions having for their object the appropriation of public money or creating a liability therefor, except from Ward funds shall lie over until the next meeting of the board before action, unless upon report of a committee.

## RULE XXIX.

It shall be the duty of the clerks to the committees to attend all meetings of the Board and of the committees; to draw and prepare reports of committees when requested by the chairmen of committees; to receive and carefully preserve all papers referred to the committees; to keep memoranda showing the disposition of matters referred to the committees, and also to properly index, in a book furnished for that purpose, all the proceedings of the Common Council; at least one of the clerks shall be in attendance at the City

Clerk's office or committee rooms from ten to eleven o'clock A. M. each day, except Sundays and during vacations of the Board.

#### RULE XXX.

It shall be the duty of the Messenger of the Board to attend all its meetings, to assist in the transaction of its business, according to the established usage or under the direction of the President, to convey notices or messages to the several Aldermen when required by proper authority, and to attend once a day except Sundays, at the office of the City Clerk during the hours the office is open.

#### RULE XXXI.

These rules shall not be altered or amended, except by a two-thirds vote at the meeting next succeeding that at which a resolution therefor, shall have been submitted; but any rule may be suspended at and for a particular meeting by a two-thirds vote of all the members elected, taken by yeas and nays.

Under Public Institutions are recorded all Deaths occurring in other than Private residences.

As by far the Major portion of Deaths in Public Institutions occurs in persons who are non-residents of the Ward in which said institutions are located, the *Actual Mortality* in each Ward can be more nearly approximated, by de-

ducting said Deaths from the Total to each Ward. This has been done in the following Table:

Wards.	Total D's.	P. Institutions	Actual Mort'y of Wards.	An. D. Rate
1	316	—	316	1,526
2	252	2	250	2,426

26	533	42	496	2,296
Total,	17,078	1,272	15,806	

By the above Table it will be seen that the highest Death Rate, 3,118, occurs in the 12th Ward, and the lowest, 1,135 in the 23d Ward.

### *Directions for Voters.*

Every male citizen of the age of twenty-one years on election day, who has been duly registered according to the Registration laws governing the locality where he resides, will be qualified to vote at any election, provided he shall have been on election day—

Ten days a citizen of the United States;

One year an inhabitant of this State;

Four months a resident of the county, and thirty days a

resident of the election district in which he may offer his vote. (Amend. Const., N. Y.)

If any person fails to possess any one of the foregoing qualifications he is not entitled to vote.

To be enabled to vote at any election for one officer, the voter must be qualified to vote for all who are to be chosen.

#### INHABITANT—RESIDENT.

An inhabitant of the State is understood to be one having a settled, permanent position as a citizen thereof. He is a member of the body of the people of the State, having a substantial interest in the affairs of the State.

A resident in the county or district is one having a fixed abode and dwelling-place therein.

If a man has a family his residence is with them, unless habitually separated from them. His residence is understood to be the place where he sleeps, where his home interests are, where he is, for the time at least, definitely settled.

No person shall be deemed to have gained or lost a residence by reason of his presence or absence while employed in the service of the United States; nor while engaged in the navigation of the waters of this State, or of the United States, or of the high seas; nor while a student of any seminary for learning, nor while kept in any almshouse or other asylum, at public expense, nor while confined in any public prison. (Amend. Const., N. Y.)

## FORFEITURE OF RIGHT TO VOTE.

A person forfeits his right to vote—

1. By removing from one election district to another within thirty days of the election, even though he be registered.

2. By accepting or receiving, or offering to receive, any money or other valuable thing as compensation or reward for voting or refraining from voting.

3. By paying or contributing to another, or offering or promising to do so, any money or valuable thing for a like purpose.

4. By making any promise to influence the giving or withholding a vote.

5. By making or becoming directly or indirectly interested in any bet or wager depending upon the result of the election.

6. By conviction for bribery or any infamous crime, unless pardoned and restored to all the rights of a citizen.

## CITIZENSHIP.

All persons born in the allegiance of the United States (except children of foreign ambassadors) are citizens. (U. S. R. S., sections 1,992, 1,993.)

Deserters from the U. S. Army or Navy, except those who served until April 19, 1865, forfeit all rights of citizenship. (U. S. R. S., sections 1,996,7,8.)

## NATURALIZED CITIZENS.

An alien, who arrives in the United States under eighteen may, when twenty-one, both declare his intentions and at the same time be admitted to citizenship upon declaring on oath and proving to the Court that for the last two years it has been his *bona fide* intention to become a citizen, and provided he has then resided in the United States five years. (U. S. R. S., section 2,167.)

An alien, who arrived in the United States when eighteen or over, must, at first step, declare his intentions before a competent court, and, at any future time not less than two years thereafter, he may be admitted to citizenship upon taking the oath of allegiance and proving to the court by the oaths of United States citizens, that he has continuously resided in the United States for the five years next preceding his application, and one year in the State where the court is held. (U. S. R. S., section 2,165.)

The naturalization of a parent admits to citizenship all children at that time under twenty-one, who are then dwelling in the United States, and all children at that time under twenty-one, then dwelling abroad, whenever they come to dwell in the United States. (U. S. R. S. section 1,172.)

If an alien who has declared his intentions dies before being actually naturalized, his children will be entitled to the rights of citizens, upon taking the oath prescribed by law. (U. S. R. S., section 2,168.)

Children of persons who are or have been citizens, shall, though born outside of the United States, be considered citizens thereof. (U. S. R. S., section 2,172.)

An alien, honorably discharged from the regular or volunteer United States forces, may be admitted to citizenship, without previous declaration of intentions, on furnishing to the court competent proof of such discharge and of one year's residence in the United States. (U. S. R. S., section 2,174.)

An alien seaman who has declared his intentions and has afterward served three years on board a United States merchant vessel, may be admitted to citizenship on production of his certificate of discharge and good conduct, and his certificate of previous declaration of intentions. (U. S. R. S., section 2,174.)

#### PENALTIES.

The following is a brief summary of the penalties prescribed by the United States statutes for violation of the laws relating to the elective franchise, naturalization, etc.:

Voting or attempting to vote when not duly qualified, aiding and abetting another in so doing, and committing any unlawful act to enable a person to vote, are criminal offenses, and render the offender liable to fine and imprisonment.

Similar penalties are prescribed for voting more than once at the same election; interfering with a voter in his exercise of the right of suffrage; inducing an election officer to do an unlawful act; receiving, as such officer, a vote from the person not a qualified voter; committing unlawful acts of like character in relation to registration, and, generally, for committing, attempting, aiding, procuring or advising the committal of any violation of the laws relating to the elective franchise.

Like penalties are imposed upon those who represent themselves to be citizens without having been properly admitted to citizenship, or who use or attempt to use certificates of naturalization to which they are not entitled, or which were obtained unlawfully, or issued upon false evidence, or without the appearance of the applicant in court, or which are counterfeit or antedated, whether such certificate is made the basis of the holder's registration or his attempt to vote.

Aiding or advising the commission of any of the last named offenses is also similarly punished.

False swearing, personating another person, using a fictitious name and doing any act in violation of the laws relating to naturalization renders the offender liable to like penalties.

*County Court House.*

Joralemon and Fulton Street.

The Legislature of the State of New York passed an Act during the session of 1853, authorizing the borrowing of \$100,000 for the purchase of a site and the erection of a County Court House. It was not, however, until May 20th, 1862, that the corner stone was laid by D. T. Walden, Esq., Acting Grand Master of the Grand Lodge of Free and Accepted Masons of the State of New York; the building was completed and finished in the month of March, 1865, and the County officers and courts were located therein. The total cost of the building including site was \$549,936.43.

The Supreme Court consists of forty-six Justices. The State is divided into eight judicial districts. The first district elects seven Justices; the second, fifth, seventh and eighth districts each elect six Justices; and the third, fourth and sixth districts each elect five Justices. Elections for Justices of the Supreme Court are held every alternate odd year. As fast as the terms of Justices expire, elections take place for a term of fourteen years. For General Term purposes the State is divided into five judicial departments. The Governor designates the Justices to hold the General Terms. In each department there is a Presiding Justice, who holds office during the term for which he was elected to the bench, and two associates, who hold office for five years, unless the terms for which they were elected sooner expire. The Justices receive a salary of \$6,000 per annum, and an annual allowance for expenses.
